As you are aware, we are faced with finding alternative ways to get personal belongings and end of year items to our students. To do this safely and efficiently, we will have a designated day for you to drive through the front car line and retrieve your child’s belongings. Please have your car pick-up sign displayed in your window, remain in your vehicle, and we will bring your child’s items to you. Thank you for your patience and understanding as we wrap up the 2019-2020 school year.
