MCPS Desktop – eTextbook Access for Secondary Students

1. Accessing eTextbooks – Middle School and High School Students
   A. Login to the MCPS Desktop with your MCPS Student username and password
   B. Click eTextbooks link > click Course Menu tile

   ![Course Menu Tile]

   C. Wait while the Course Schedule page loads...

   ![Course Schedule]

   D. Course Schedule > click an eTextbook link next to a Course
      • No link means there is no eTextbook
      • Some eTextbook pages might contain more than one book

   ![Dashboard]

   E. Exit the eTextbook page when finished
