

Parent's ELEYO Dashboard

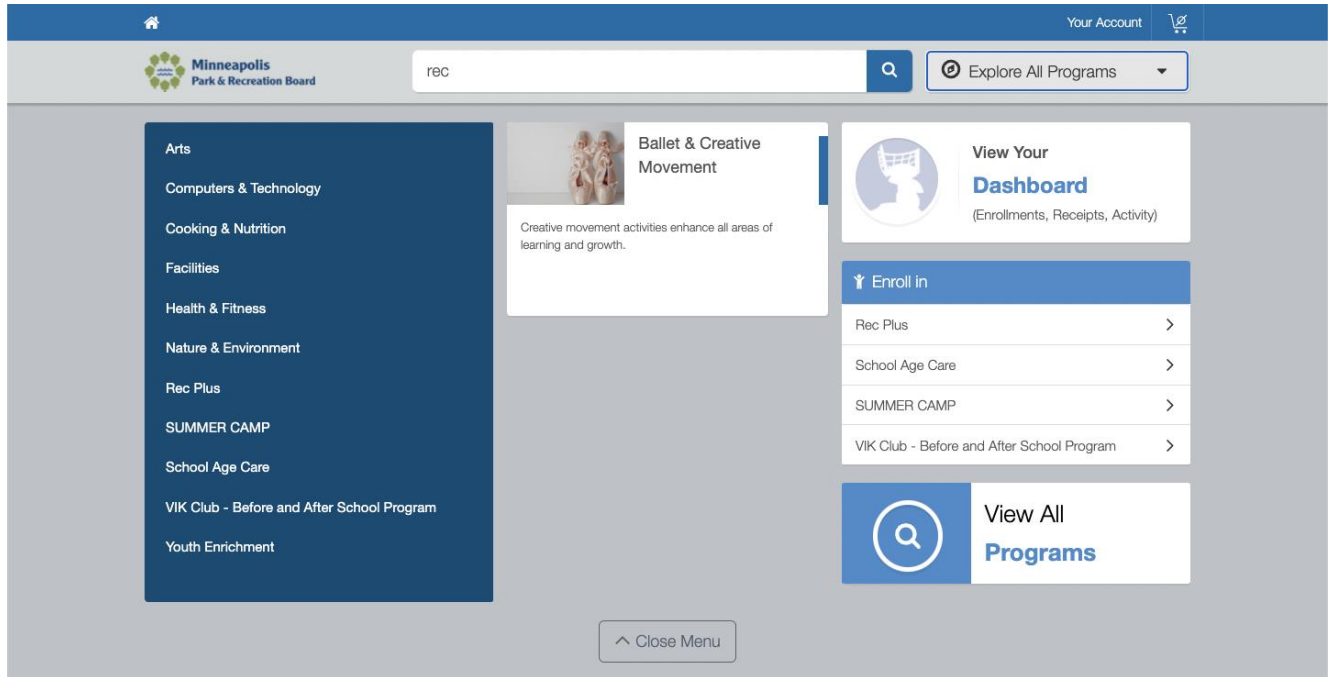

Your dashboard is the primary page to view information about your account. From the dashboard you can see any current and upcoming enrollment schedules, manage family members and relationships, view recent payment activity, or any pending invoices on your account. You can also search for and enroll in courses, programs, or care directly from this page.

The screenshot displays the Parent's ELEYO Dashboard for Karen Bale. At the top, there is a navigation bar with the Minneapolis Park & Recreation Board logo, a search bar labeled "Find by Name, Category or Description...", and a user profile section for Karen Bale with the email kabale@acrossgracealley.com. Below the navigation bar, the main content area is divided into several sections:

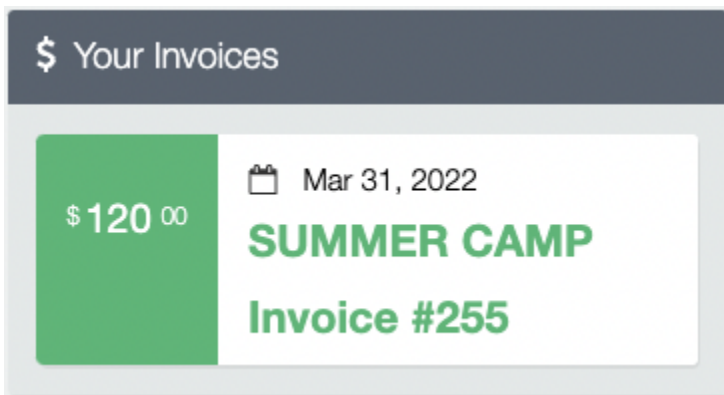

- Your Invoices:** Shows "No Outstanding Invoices".
- Manage Family Members:** Displays a profile for Karen Bale (You) with buttons for "Add Emergency Contacts" and "Find Programs". Below this is a "Manage All Relationships" button.
- Enroll in:** A list of programs with right-pointing arrows: "Rec Plus", "School Age Care", "SUMMER CAMP", and "VIK Club - Before and After School Program".
- Current and Upcoming Enrollments:** Shows "No Enrollments" with a button to "Explore Courses" and a search button for "All Enrollments".
- Recent Payment Activity:** Shows "No Payments in the past 60 days" and a search button for "All Activity".

The top of the page provides global search within your district, which you can use to find courses, programs, or care directly from this page.

Additionally, clicking the **Explore All Programs** dropdown displays a menu of the options available in your district.

"Your Invoices" contains current invoices (including any past due balances) which can be clicked to bring up the full invoice with the option to make a payment.

Within "Manage Family Members", you can add or edit emergency contacts for yourself, your family members, or relationships and find programs for them to enroll in.

The screenshot displays the "Manage Family Members" interface. At the top, there is a dark header with a family icon and the text "Manage Family Members". Below this, three family member profiles are listed vertically. Each profile includes a circular profile picture, the name, the relationship type, and two action buttons: "Edit Emergency Contacts" (with a car icon) and "Find Programs" (with a magnifying glass icon). The profiles are for Karen Bale (You), Baron Bale (Your Spouse), and Boston Bale (Your Child). At the bottom of the interface, there is a button labeled "Manage All Relationships" with a pencil icon.

Clicking **Manage All Relationships** brings you to your profile page where you can add or remove relationships from your account.

"Enroll In" contains information about the currently available child care options.

The "Current and Upcoming Enrollments" displays courses (and ECFE for Minnesota districts) that you, your family members, or your relationships are registered to attend. Clicking **Explore Courses** displays a top-level listing of courses, child care, and facilities. Clicking **All Enrollments** displays the Current and Upcoming Enrollments list and any previous courses or care that you have enrolled in.

"Your Accounts" displays any currently active child care accounts you have enrolled in. Clicking the account will display the account management page for that program. Additionally, if you are a member of an organization and have permission to manage facilities for the organization online, then facilities will appear. Any listed facilities show upcoming or pending requests for that facility.

The screenshot shows a dark grey header with a person icon and the text "Your Accounts". Below the header is a light grey card containing a "SUMMERCAMP" logo, the account name "#1029 SUMMER CAMP", the child's name "Child: Boston Bale", and a right-pointing chevron icon.

"Recent Payment Activity" lists all payments made in the last 60 days. Clicking **All Activity** will display your full account history, including all invoices, payments, and sign-in activity.

The screenshot shows a dark grey header with a refresh icon and the text "Recent Payment Activity". Below the header is a table with one row of payment activity. The table has three columns: a logo, a description, and an amount. At the bottom right of the table is a button labeled "All Activity".
